No more than 12 hours of graduate work can be requested for transfer. The courses requested must be graduate courses in which the student received a grade of A or B. Transferred courses are subject to the same eight-year time limit as UNO courses. Quarter hour credits are evaluated as 2/3 of a semester hour. An official transcript must have been received by Admissions for evaluation. If there is no UNO equivalent, equate to Department prefix and 6000TR. Highlighted fields will be filled in by the Graduate School.
